Minutes of Last AGM: Accepted as a true record.

Treasurers Report: The accounts were accepted. Thanks were expressed to C Hardman for preparing them.

Election of Officers: Chairman: R Shelley.
Secretary: C Hardman.

Results Secretary: J Driscoll. All officers re-elected unopposed.

Referee: To be appointed by the host club.
Starter: To be supplied by the host club.

Membership: There were no applications to join the League. The resignation from Bollington was accepted.

Affiliation Fees: As can be seen from the accounts the cost of the medals is very high. A discussion took place as to whether we should keep the medals or return to using plaques. It was decided to keep the medals.

A suggestion was made to have a split fee, the larger clubs paying more than the smaller clubs. The subs were going to have to rise and it may put smaller clubs off if the fees were too high.

It was decided that the Affiliation fees for the 1991-92 season should be £21 plus £4 for a set of 100 numbers.

League Programme: Offers have been received from Helsby, Wilmslow and Stockport to host meetings. Newcastle also offered to host a meeting but several clubs have requested not to travel to Newcastle.

1st meeting: Frodsham January 5th 1992 to include the Vets Champs.

2nd Meeting: Stockport February 23rd 1992

3rd Meeting: Wilmslow March 22nd 1992.
