MIDDLE DISTANCE RACES (800m or 1500m Under 13's and above, 600m for under 11's)

Hold 2 races A and B - (Except 3000m) - each with two runners per club and award event points as follows:-

 B Race : 12,11,10,9,8,7,6,5,4,3,2,1, Then award **Match Points** as for sprints.

Note:

With a maximum of six clubs per fixture there may be 12 runners for each 800 / 1500m race (A & B) and 24+ for the Senior 3000m race. We must ask that competitors be accommodating on this point for safety reasons and abide by the TRACK REFEREES RULING AT EACH MEETING and accordingly request that no non-scorers be allowed in races if 12 or more athletes turn out for either the A or B race (3000m race excepted)

3000m RACE (Senior Men / Ladies)

A 3000 metre race is to be included for the Senior men / Ladies in each round. A maximum of 4 male / 4 female competitors may represent a club with the first 3 home scoring for each club. This will be run as two individual races unless the numbers are such that one race can be run (Men's Race / Women's Race).

The traditional cross country method of scoring will apply, 1st runner 1 point, 2nd runner 2 points etc. Accordingly the team with the lowest total of points for their 3 competitors scores 12 Match Points, the second team 10 Match Points, etc.

If one team is incomplete, please add the position of the last runner PLUS ONE for each blank place.

By this method a single runner can help his / her club.

The scores of incomplete teams will be placed after those of complete teams. IE 3 runner scoring team, 2 runner scoring team, single runner scoring team. This rule applies to both Men and Ladies competition.

JUMPS and THROWS

2 Competitors per club. Award event points in order of finishing (numbers to be at the FIELD REFEREES DISCRETION.)

A Competitor 12,11,10,9,8,7

B Competitor 6,5,4,3,2,1 then award match points as for sprints

All competitors in jump and throwing events (excluding High Jump) will be given 4 trials, except Under 11's who get 3.

Specific Rules for the Under 11's Long Jump are as follows:-

The take off board shall be 1 metre from the pit edge. If there is no board 1 metre from the edge, then a tape or line shall be marked on the runway. The run up will be **no longer** than 15 metres. A cone shall mark the run up limit (note that athletes can have a shorter run up).

Specific Rules for the Under 11's Javelin are as follows:-

300 gram Turbo Javelins should be used when they are available. If Turbo Javelins are not available then Bull Nose Javelins can be used.

The run up will be **no longer** than 5 metres. A cone shall mark the run up limit.

Each athlete will take all his/her throws consecutively with only the longest trial being measured.

Due to the numbers taking part in the Under 11's Long Jump and Javelin it would be helpful if two pools could be used to speed up the event. Obviously, this will depend upon the number of field officials available at the time,

1st Team:	12 points	2nd Team:	10 points
3rd Team:	8 points	4th Team:	6 points
